(Des Moines, IA) – Dudley Muhammad announced he will be running for House District 34. Muhammad has been an active member of the community for over 20 years and has worked with various organizations. He is passionate about veterans, education, and mental health.

“I am proud and excited to announce my candidacy for the democratic nomination for State Representative,” said Muhammad. “I believe the voice of the people has been silenced due to those who are in positions of power. This power is evident in politics where there only seems to be a concern about who you are and advocating for big business. I will represent the people and elevate their voices by uplifting issues important to my constituents.”

Muhammad has seen firsthand the impact mental health is having on our communities, and he desires to work with legislators when elected to make significant change to mental health laws. As a veteran Muhammad knows the state needs to do a better job providing veterans with the resources they need. If you would like to talk further with Dudley Muhammad, reach out via cell phone or email.
